

The Radlett Art Society, founded by Tom Coubra in 1966, offers art in all its forms. Membership now stands at (148+), including both artists and non-artists. The Society is run by an enthusiastic committee elected by the membership.

The aims of the Society are to inform and stimulate interest in painting, sculpture and allied subjects, by illustrated lectures given by experts in their field. In addition we aim to inspire our working artists with a weekly art workshop and professional artists' demonstrations. In the Summer months there are En Plein Air out-door painting sessions in attractive locations.

The Summer Exhibition is the highlight of the Society's year and is open to all members wishing to show and sell their work. We also hold an Artists' Workshop Exhibition at the Radlett Centre throughout October.

Our current annual subscription of £35 (Full time Students £10) represents excellent value for all the events the Society offers, so why not come and join us to enjoy a variety of art activities.

For further information, please contact the Membership Secretary.
