

The Radlett Art Society, founded by Tom Coubro in 1966, offers art in all its forms. Membership now stands at 250, including both artists and non-artists. The Society is run by an enthusiastic committee, each of whom take responsibility for an aspect of the work involved.

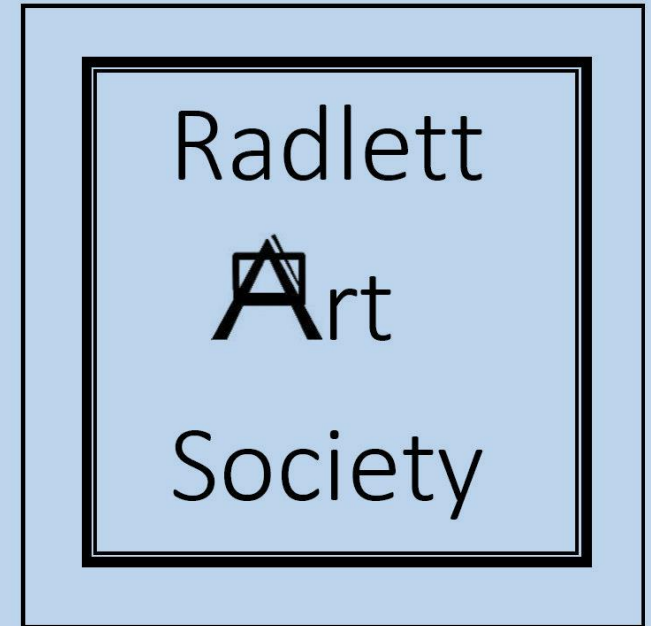

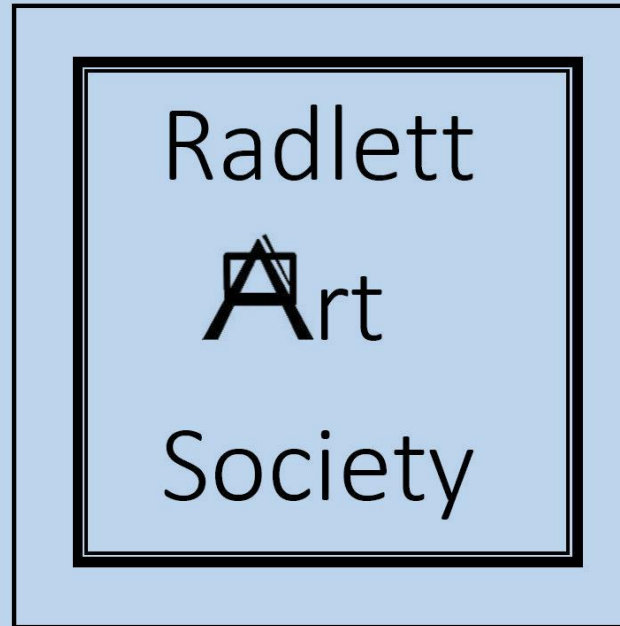

The main aim of the Society is to stimulate interest in painting, sculpture and allied subjects, by illustrated lectures given by experts in their field and by organised visits to art galleries, exhibitions and buildings of artistic interest.

The Summer Exhibition is the highlight of the Society's year and is open to all members wishing to show and perhaps sell their work.

For practical artists, the Society organises painting workshops: life, portrait, still-life, for members of all abilities and demonstrations by visiting artists. In the Summer, there are out-door sketching sessions. We also have a number of Social events. 2020 promises to be an exciting year for the Society with some big changes made to ensure our future.

Our current annual subscription of £35 (student £10) represents excellent value for all the events the Society offers, so why not come and join those of us who have enjoyed this superb amenity for so long?
