### Day 1

We depart in our private executive coach from our designated pick up points. En route to our hotel we visit the National Trust's Attingham Park in Shropshire, an elegant 18th century mansion, and home to a fine collection of ambassadorial silver, Italian furniture and Grand Tour paintings. We continue to the 3\* Celtic Royal Hotel at Caernarfon for a four night stay on a half board basis.

### Day 2

With our Blue Badge guide we visit Caernarfon Castle this morning. Begun in 1283 as the definitive chapter in Edward I's conquest of Wales, Caernarfon was constructed not only as a military stronghold but also as a seat of government and royal palace. During our included 45 minute cruise from Caernarfon on board the 'Queen of the Sea' we are awarded spectacular views of the Castle, the Snowdonia mountain range, Llanddwyn Island, and the Isle of Anglesey. We continue to the National Trust's Penrhyn Castle. A dramatic neo Norman fantasy castle, the Victorian kitchen and other servants' rooms have been restored to reveal the preparations for the banquet honouring the Prince of Wales's visit in 1894.

### Day 3

We visit Baumaris Castle with our Blue Badge guide this morning. Baumaris Castle on the Island of Anglesey is the great unfinished masterpiece. It was built as one of the 'iron ring' of North Wales castles by the English monarch Edward I, to stamp his authority on the Welsh, but was never finished as money and supplies ran out before the fortifications reached their full height. This afternoon we visit the National Trust's Plas Newydd Country House and Gardens. Associated with the 1st Marquess of Anglesey, who commanded the cavalry at the Battle of Waterloo, Plas Newydd is a beautiful 18th century country house with spectacular views across the Menai Strait to Snowdonia.

### Day 4

Our Blue Badge guide meets us at our hotel this morning and accompanies us throughout the day. This morning we enjoy an included one way scenic excursion on the Welsh Highland Narrow Gauge Railway from Caernarfon Station to Porthmadog. During our journey on the UK's longest heritage railway, we pass the foot of Snowdon and the picture postcard village of Beddgelert, then through the stunning Aberglaslyn Pass and on to Porthmadog. This afternoon we visit the 80 acre National Trust property at Bodnant Gardens. Located above the River Conwy the gardens feature huge Italianate terraces and stunning views across Snowdonia.

### Day 5

After checking out of our hotel, and en route home we visit the National Trust's Baddesley Clinton property in Warwickshire, a romantic and atmospheric moated manor house, dating from the 15th century and little changed since 1634. The interiors reflect the house's heyday in the Elizabethan era, when it was a haven for persecuted Catholics. The peaceful gardens include fish pools and a walled garden. Taking carefully selected comfort stops en route, we return back to our original pick up points.

**NB:-** Please note we reserve the right to alter the above itinerary if required for operational reasons. Given the historic nature of the places visited, a certain degree of walking will be involved, and this holiday may not be suitable for those with mobility problems.
